

SUSSEX SAFE SPACE SCHEME

The Sussex Safe Space Scheme is a network of locations across the county offering a safe space for anyone to go to if they feel threatened or at risk of harm.

Users can find the nearest one to them using a map function on the website.

Can you help people if they need a safe space?

Sign up to provide a Safe Space in Sussex

Provide the facility for someone to make a phone call in a quiet space to a loved one or call the police if needed.
